

Geo. A. Mahl Elected President of Civic Ass'n

ANNUAL MEETING HELD THURSDAY EVENING IN Y. M. C. A. CONSTITUTION REVISED. GARDEN CLUB ORGANIZED.

The constitution of the Narberth Civic Association was amended in so many sections and new articles and sections added that it is practically a new document.

The amendments and additions proposed were all voted through at the regular annual meeting, one of the important changes being a decrease in the directorate from 18 to 12 members, so that no new directors were elected at the 1921 meeting. In next week's issue of Our Town the new constitution will be printed.

Mr. Mahl, the newly elected President of the organization, was unable to be present at the meeting, but will be heard from at the regular monthly meeting in April.

The Garden Club, which has been talked of for some time, was organized and will take up the flower shows which have been featured by the Civic Association for several years past. Accounts of the activities of the new Garden Club will appear regularly in our columns.

Only three new officers and directors were elected—Mr. Mahl, for President; Mr. Edgar, for Secretary; Mr. Living-

(Continued on Page 4)

SONG SERVICE AT METHODIST CHURCH.

The Methodist Choir will repeat the Easter service at the morning and evening services next Sunday. There will also be music appropriate to the missionary topic in the morning.

It is an inspiration to the congregation to listen to a choir of singers who rejoice in their opportunity to serve their Master in this way without remuneration.

When on Palm Sunday they sang so expressively Stainer's "Crucifixion," many people in the congregation wept with their suffering Saviour, and on Easter Sunday rejoiced with their Risen Lord, echoing in their hearts, "Hallelujah, Christ is Risen."

It is a forerunner of what all Christians will do when they stand before God's throne singing "Alleluia, worthy is the Lamb that was slain."

Come out and get ready for that day by singing heartily in the congregational song service led by Mr. Stanley in the evening.

CALENDAR OF COMING EVENTS.

All-Stars to Meet Tennis Quintette

FIRST OF SERIES OF BIG BASKETBALL MATCHES NEXT WEDNESDAY NIGHT AT Y. M. C. A.—FORMER U. OF P. CAPTAINS WITH ALL-STARS.

Well, those basketball players in the Narberth Tennis Association have gone ahead and done it, and next Wednesday evening, April 6, there is to be a big game in the Y. M. C. A. Gym between the pick of the Tennis players and the Narberth All-Stars, and you can take our word for it, it is going to be some contest!

What's more, next Wednesday night's game is to be the first of a series—the best out of three, the dates of the second and the third—if a third game is necessary—to be announced later.

In the meanwhile, prepare to see the first game in the series next Wednesday at the Y. M. C. A. Tickets will be sold at the door and there will be one price—twenty-five cents general admission.

If you doubt that the game next Wednesday evening will be worth seeing, here are some facts that will drive all doubts from your mind.

In the first place, the Tennis Association is to be represented by a team that is the pick of the single and mar-

(Continued on Page 4)

Alumni Association Meets Monday

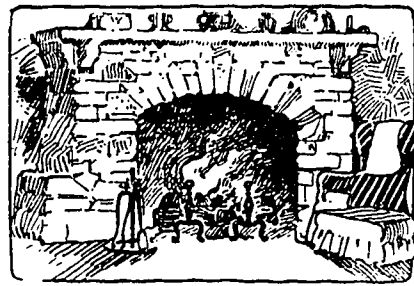

NARBERTH HIGH SCHOOL GRADUATE BODY TO BRING ORGANIZATION UP TO DATE—NEW BY-LAWS PREPARED.

A record attendance is expected at the special business meeting to be held by the Alumni Association next Monday evening. The meeting will be called to order promptly at 7.45. The new By-Laws, on which the Executive Committee has been working for several months, will be presented to the members for their vote.

Changes of considerable importance have been made in the organization, and an effort has been made to give the Association a basis on which to build up a stronger influence in school and town affairs.

The Alumni Association, which was organized in May, 1915, now has ninety graduate members, and is rapidly growing with each graduating class. In addition to the graduate members, both the old and the new by-laws make provision for Associate membership, made up of those who have completed at least one of the four upper grades of the High School. It is planned to send invitations to those eligible to this class of membership very shortly, and thus add to our present membership a further number interested in school affairs.

Every member is urged to make special efforts to attend this most important meeting.

THE FIRESIDE

Miss Dorothy E. Wilson spent the Easter holidays at Wildwood, New Jersey.

Miss Ethel Plank was among the visitors to Atlantic City from Narberth over Easter.

Mr. Charles F. Stretch, of Old Gulf Road, is now the local representative of Harris, LeRoy & Clark, of Ardmore, agents for the Studebaker car.

Mr. and Mrs. Norman Southworth, of Hampden avenue, have been entertaining this past week Dr. and Mrs. D. R. Ryder, of Fall River, Mass. Dr. Ryder has been attending clinics at the Jefferson and Pennsylvania Hospitals.

The Woman's Foreign Missionary Society will be entertained at the home of Mrs. John Miller, No. 118 Essex avenue, on Monday afternoon at 2.30 o'clock, April 4th. All members and friends invited, as an interesting program has been arranged.

It's a grand sight to see the boys stepping along towards the school on the hill—smoking cigarettes; very gratifying, especially in view of the fact that there is a State law prohibiting anyone under 21 years of age having cigarettes in their possession.

Many Narberthites returned home from college for the Easter holidays. Among these were Eileen Needham, Ross Howenstein, George Rose, Gilder Jacoby and Ralph Beatty, from Pennsylvania State College; Gertrude Ross, from Mt. Holyoke, and Thomas G. Martin, from Colgate. Mary F. Chalfant returned Thursday of this week for her spring vacation.

CLASSIFIED ADVERTISEMENTS

Community Club Notes

MUSIC APRIL 5, 2.30 P. M.

The meeting on Tuesday of the Community Club will be largely devoted to the subject of music. Mrs. M. J. Babb, of Ardmore, will talk at 2.30 o'clock on "Why Music is the Soul of Bohemia." Mrs. Babb will be remembered as Miss Gibbons, who appeared before the club as a violinist. Miss Jane Campbell, a favorite of the club, will be present to tell of "The Songs of My Youth."

Another subject which will doubtless be of great interest to the members is a book review of Drinkwater's "Abraham Lincoln." Those who hope to see the play during the days following the meeting should hear what Mrs. Robert Wood has to say regarding this presentation of the life of Lincoln.

Appropriate to the day will be entertainment furnished by the club orchestra and also the club chorus.

Members please notice that Mrs. Babb is to speak at 2.30, so those who arrive after that hour may miss something good. The business meeting will be conducted at the latter part of the meeting, instead of at the opening, which has been the usual custom.

THE LITERATURE CLASS.

If you have read "Potterism," by Rose Macaulay, or even if you haven't, come to the Literature Class of the Women's Community Club next Monday morning and help decide what a Poterite is.

Three of the essays in Mrs. Storois' "Personal Prejudices" were read last Monday morning—"Old Friends," "Andre Tenors, Andre Moons," and "The Last Art of Letter Writing." A poem of Richard Hovey's called "Discoveries," from the Vagabondia series, was also read.

All who have enjoyed this opportunity of reading together are asked to be present at the meeting next Monday.

JUNIOR SECTION WOMEN'S COMMUNITY CLUB.

The last meeting of the Junior Section was held at the home of Miss Katherine McDowell, on Thursday evening, March 24th. In spite of the very bad weather conditions, there were present about thirty-five girls, and several new names were added to the list of charter members on the last night this privilege was available.

The program for the evening was planned by Mrs. William Durbin. The Club was honored in having as its guest Mr. Robert H. Durbin, who gave two delightful recitations. Miss Augusta Witherow charmed with a song, and Miss Madeline McCoy with a piano selection. The Club then joined in Glee Club practice, and is very much enthused over its success with its first "public appearance."

The halls were then cleared for dancing, and after delicious "Down East" refreshments of doughnuts and coffee, everyone enjoyed some perfectly fine dances to the tune of two orchestras—alternately the "vie," and the beating of the rain.

JUNIOR SECTION TO ENTERTAIN WOMEN'S COMMUNITY CLUB.

The next meeting of the Juniors will be in the form of a reception to the Senior Club. It will be held in Elm Hall next Thursday evening, April 7th. The Juniors cordially invite every member of the Senior Club to be present and become acquainted with the members of their offspring. An attractive program has been planned, and the Juniors are looking forward to a large attendance from both branches of the Club, for it is by just such friendly intercourse that the proper spirit of co-operation and good fellowship between the younger and older can be instigated.

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

Narberth Choral Society

MR. NICHOLAS THOURON PREDICTS GREAT POSSIBILITIES FOR THE NARBERTH CHORAL SOCIETY.

The members of the Narberth Choral Society were honored last Monday evening in having Mr. Nicholas Thouron come over from Merion for the purpose of ascertaining the progress of the Choral, and to offer encouragement to their undertakings. Mr. Thouron outlined the essential features in the building up of a choral society and expressed great surprise at the results so quickly obtained. Mr. Thouron followed the Chorus through the rehearsal, and in his address stated that he believed the prospects of the Narberth Choral Society to be exceptionally bright under such an enthusiastic

Editorial

PLEASE KNOCK!

We see that the "Brass Knocker" is with us again. Keep it up. Old Timer. May you show the path to us erring mortals!

And apropos, the "Brass Knocker" column is not written by the Editor. This in response to several queries.

FREAKISH WEATHER.

With the season just three weeks advanced over any normal spring, late March brought into bud and bloom many flowers, shrubs, trees and fruits. Then a sudden temperature drop of 57 degrees in an hour killed all the buds and bloom. Monday night's frost left the magnolia blooms limp and yellow, and we must wait another year to enjoy them again.

Reports have not been received as to the result of the frost on budding fruit trees, but it is quite likely that the majority in this section have been bitten.

Nature has provided a frost-proof root system for the early-blooming plants so that only the buds are killed. Let us hope our gardeners have not been enticed by the premature spring weather to plant out less hardy things.

May we have seen the last of winter for another seven months.

CHARTER NOTICE.

Notice is hereby given that an application will be made to the Governor of the State of Pennsylvania on Monday, May 2nd, A. D. 1921, by Mary C. Mulholland, Cornelia D. Ross, and Grace C. Batchelor and their associates, under the Act of Assembly of the Commonwealth of Pennsylvania, entitled, "An Act to Provide for the Incorporation and Regulation of Certain Corporations," approved April 29, 1874, and the supplements thereto, for the charter of an intended Corporation, to be called THE WOMEN'S COMMUNITY CORPORATION OF NARBERTH, PENNSYLVANIA, the character and objects of which are to purchase suitable ground and construct and maintain thereon buildings for the meet-

ings of the Women's Community Club of Narberth, Pennsylvania, and also to be used for intellectual, educational, and moral development along the lines of civics, music, art and general social uplift by means of lectures, classes and entertainments, and for these purposes to have and possess and enjoy all the rights, benefits and privileges of the said Act of Assembly and its supplements.

MUSCOE M. GIBSON,
Solicitor.

TREE PLANTING BEGINS.

Harrisburg, Pa., March 27.—On account of the open winter and early spring the nurseries operated by the Pennsylvania Department of Forestry are already in full swing. More than 500,000 trees have been lifted out of the nursery beds of the Greenwood Nursery in Huntingdon County, and about 750,000 at the Mont Alto Nursery in Franklin County. At the Clearfield Nursery all the stock available for distribution this spring, amounting to approximately 600,000 trees, has been removed from the beds. Up to this time nearly half a million trees have been shipped to private planters from these three nurseries. The Forester in charge of the Asaph Nursery, in Tioga County, reports that he will be able to commence operations within a very short time if the present mild weather continues.

Orders for more than two and three-quarter million seedlings have been received from six hundred and eighty-four applicants. These trees will be shipped to every part of the State, as there are only two counties, Greene and Juniata, from which no orders have yet been received.

John W. Keller, Chief, Bureau of Silviculture in the Department, says that forest tree planting by private owners of forest land is now an established practice, and the trees ordered this spring will reforest 2,000 acres of land, and if protected carefully and handled properly until mature will cut 50,000,000 board feet of lumber.

The Forest Academy students on Monday, March 14, began the planting of 120,000 forest trees near Mont Alto, in Franklin County. This is the earliest date upon which spring planting operations have begun for many years, and, judging from the progress that is being made, all the trees will be planted during the next week. These trees are being planted upon areas formerly occupied by chestnut, which had been killed by the chestnut blight.

WOMEN FOR JURY DUTY.

Names of Fifty-three Drawn for April.

The April sessions of Criminal and Civil Courts in this county will have 53 women listed for jury duty, as compared to 51 for the February sessions.

The panel for the April sessions was drawn from the wheel Friday, by Sheriff Jacob Hamilton, together with Jury Commissioners Walter Jenkins and Francis Fryer, the names being recorded, as drawn, by their clerk, Mrs. Katherine PoCall.

The April Grand Jury panel includes the names of five women, while the Criminal Court trial jury panel for the week of April 11 includes the names of 12. For the first week of the Civil sessions, beginning Monday, April 25, the jury panel includes the names of 15 women, and for the following week of Civil Court the panel includes the names of 21.

Those from Lower Merion are as follows:

Grand Jury, April 11—Mrs. Blanche White, Cynwyd; John Albrecht, E. P. Althouse, Frank Michener.

Petit Jury, April 11—Alice Barr, Cynwyd; Mrs. Ruth C. Hill, Villa Nova; John R. Baltz, Aubrey Bunting, Robert J. Boyd, Carroll Dalstrom, Robert Geary, Joseph Graham, W. B. Kraft, Howard S. Rue, Ralph H. White, Earl Young and Robert J. Savill, Narberth.

Civil Court, April 25—Mrs. Mary S. Stephenson, Wynnewood; Annie Williamson, J. C. Barker, Thomas F. Golden, Joel C. Huber, David R. Shelnire.

May 2—Fannie M. Ewing, Bryn Mawr; Mrs. Laura B. Melcher, Cynwyd; Mrs. Katherine W. Wilson, Bryn Mawr; Charles Cuff, William Duncan, Charles Hayes, Jr., John W. Joyce, Orion E. Kline, Ralph Wanamaker.

The Brass Knocker

RECOLLECTIONS, OBSERVATIONS AND COMMENTS BY AN OLD TIMER.

One of the doctors of the town has solved the ice problem for the coming summer in an old-fashioned way. He is building a spring-house, although we never knew that there was a spring anywhere near where he is building. Whatever it is, the "Doc" will not be at any great expense for stone. Out of each cubic yard excavated we judge there is from 50 to 75 per cent. of rock.

At the entrance to the tunnel on the South Side there are 10 lengths of cast iron pipe lying in the freight yard. Two of them have large cracks in them and are quite unfit for use. We have seen these pipes for a month or more and wish the owner would remove them, as we are tired of looking at them, and besides they give an untidy appearance to the place.

A year or so ago the "Cub" in his letter to the editor of Our Town stated that it was rumored that one of the trains was on time the other day. Now our impression is that at present the electric train service is pretty good. We compare them to the girl who "when she was good, was very, very good, but when she was bad, she was horrid."

Notice was given last week that application had been made to the Borough Council for license to operate a motor bus line through the borough connecting with Fifty-fourth street and City Line. We are for this with both feet. It will mean that some method of transportation can be had after the 11.55 has gone. Our social activities have been much curtailed in the past by the necessity of making the last train.

In the old days when the baseball diamond was at the corner of Price and Narberth avenues "Charley" Humphries caught and "Bill" Humphries played third for the local nine. A favorite of that time was, "Why is the Narberth baseball team like a camel? Because there are two 'Humphs' on it."

By the way, where is the local diamond?

The last issue had a picture of the former editor on the front page. Underneath were the words, "Our Retiring Editor." Reading this one naturally expects the gentleman to be attired in pink pajamas and wearing a night cap.

Someone engaged in construction work in Narberth believes that water will run up hill. At the northeast corner of Essex and Haverford avenues there is a sewer inlet. On the Essex avenue side the gutter is about three inches higher than the general level of the gutter further on up Essex avenue. Now who can ever expect drainwater to climb up this for the privilege of falling into a sewer?

OLD TIMER.

A RESPONSE TO THE BRASS KNOCKER.

To the Editor of Our Town:

No one has properly attained fame until criticised. So, even though a "knock" is rather as poor an excuse for a criticism as a "pun" for a good joke, the Juniors are nevertheless highly flattered to have so shortly risen to that height of the truly famous that their reports are given such detailed analysis by one of Narberth's good citizens.

We thank you, fellow townsman, for your kind regard of us, and the additional interest in our weekly report which you have indubitably stimulated by a little tactful censure.

A JUNIOR.

"KILL FLIES AND SAVE LIVES."

The boys in the Manual Training Class of the Ardmore Public Schools are busily engaged making fly traps, under the direction of the instructor, Mr. A. Cleveland Conner.

These traps are to be used in the homes of the boys to catch the unsuspecting fly as he innocently feeds upon the moist banana peel placed at the base of the trap. The trap is made so that an opening is left in

ROBERT J. NASH

Realtor

1001 CHESTNUT STREET, PHILADELPHIA
Branch Office at Station, Narberth, Pa. Telephone, Narberth 1710

Certain coals no higher in cost at the mouth of the mines than others cost us 28c. per ton more in the way of freight rates to Narberth, Pa., just because the cars in transit cross and recross the Delaware.

From now on we will buy coal that we can sell at retail market prices, which we believe to be good in quality, but have never been in Jersey.

We are distributors of coal and coke.

We assume that you are your own efficiency expert.

We are located at the right place to serve you.

We need and want your business.

We can give you as much for your dollar as you can get anywhere, and it is our ambition to give you a little more, for we do not forget that owing to circumstances beyond our control (war time conditions) many of our Narberth citizens paid us prices in excess of those prevailing elsewhere, much to our mortification and disgust.

Profits have gone just exactly as have salaries and incomes of many of our customers.

Prices for the month of March follow, which are subject to change with the changing conditions:

	Wheeled or carried
Cannel Coal	\$15.00
Buckwheat Coal	8.75
Coke	8.75
	Wheeled or carried to the cellar, 50c. extra per ton
Pea Coal	\$11.00
Egg Coal	13.50
Stove Coal	14.00
Nut Coal	14.00

Friday evenings 7 to 9.

the wire above the bait. After the fly satisfies his hunger on the banana peel he looks around for an opening of escape and the hole above him admits the daylight. This entices the fly to fly upward into the trap.

The boys are working hard and with a lot of interest, because they have accepted the challenge to "KILL FLIES AND SAVE LIVES."

The Boy Scouts of the "Main Line" are organizing an attack upon the flies. The troop of the Conestoga Community Center have located all the stables in

their territory, and have made their report to the local committee. The stables of the entire Main Line will be charted, and the Boards of Health of the different townships and boroughs will see to it that the stables do not become breeding places for the fly.

The campaign formally opens April 4th, but it does not mean that it will all be over in a short time. The fight must continue throughout the summer. However, the emphasis must be placed right away in order to rid the territory of all breeding places.

News of the Churches

THE OLD MERION FRIENDS' MEETING HOUSE,

Montgomery Pike, Narberth, was established 1682. Here William Penn worshiped, as well as many other noted Friends. One of the historical spots of America is open for worship every First-day (Sunday) morning at 11 o'clock. First-day School begins at 10 A. M. Visitors cordially invited.

The First-day School is held every First-day morning at ten o'clock. There is a class for adults as well as for children, and we are very glad to have anyone who is interested in knowing more about our Society of Friends and the Friendly ideas visit with us.

Wednesday, April 6th—Preparatory members' class at 7 P. M. Prayer meeting at 8 P. M.

NARBERTH MYSTERY SOLVED.

For several months past many Narberth folks have pondered over the problem.

As a result several interested persons made an investigation to ascertain where everybody and their wives and best girls disappeared to regularly every Friday evening.

One investigator happened to discover Mr. George F. Pawling scouting around the site of the proposed Narberth Recreation Field and he explained that he was considering erecting an ice palace for the Narberth Skating Club. "The what?" we asked. "The Narberth Skating Club," sez George. "Didn't you know you had a bunch of ice skaters in Narberth? Why they ket every Friday evening." "No," sez we. "But that begins to explain something. It answers the question, Where are they at?"

So down we go last Friday evening, and there they be. Some in the center of the rink doing fancy stunts, some gliding around gracefully like birds, and some being stopped by the guards every few minutes for exceeding the speed limit. You might have thought you were right on Haverford avenue, just like Narberth—only different.

Among the "stunters," "gliders" and "speeders" were:

"Doc" Hartley
"Win" Cook
Charlie McCarter
Young Perry Redifer
Jake Jacoby
Bill Durbin
"Deetie" Harris
Ed. Enfinger
Mrs. W. G. Crowell
Mrs. Raymond C. Jones
Raymond C. Himself
Horace Smedley
Mrs. Lester Jefferies
Miss Mildred Harris
Miss Edna Potter
"Baron" Harris
"Doc" Howard
Dave Odell
Bob Edgar
Bill Fretz
Bob Fretz
Frank Fretz.

VISIT FROM FORMER CITIZEN.

Mr. William Baird Reed, of New York, recently paid a visit to Narberth to see one of our citizens, Mr. David B. Weaver, and incidentally to renew some old friendships. Mr. Reed formerly lived in our town.

He was interested in oil development properties in Montana and knew that David B. Weaver had been one of

a party who, while traveling in an ox team to gold fields in Montana in 1864, discovered oil on the trip (the first discovery of oil in that State). He desired information concerning particular locations in the Big Horn River Country.

The "find" of oil made by Mr. Weaver's party way back in '64 was not only entirely unexpected to them, but was a God-send, as they had run out of grease for the wheels of their wagons and carts. They were creaking along in a dry condition when the party, after crossing several dry water courses in search of water, came to a stagnant pool of water covered with oil. From this they filled their grease cans and used it to lubricate the wheels.

This was beyond question the first discovery of oil in Montana, and as it is in this region that Mr. Reed is interested, he was able to secure some valuable information from his pioneer friend.

AMERICANIZATION DEMONSTRATION, APRIL 7TH.

To Members of Main Line Branch, American Red Cross.

The patriotic and civic organizations of Philadelphia, in co-operation with the American Legion, plan a demonstration in the interest of Americanization on the evening of April 7th.

It is proposed to hold two mass meetings, one in the Academy of Music and the other in the Metropolitan Opera House. Speakers of national reputation will address these meetings.

The Red Cross has been asked to participate in the outdoor demonstration, which will probably occur at six o'clock on April 7th in Broad Street. The Committee in charge is anxious to know how many of the Red Cross people will take part in this demonstration in uniform, if possible.

Any members who will parade with the Red Cross, please send your name and address to Main Line Branch Headquarters, Memorial Building, Bryn Mawr, before April 5th.

Southeastern Pennsylvania Chapter, American Red Cross.

"Never forget that if we fail to provide for our own needs in forest products no one else will do it for us. The very solemn fact is that if we fail to do so, neither in the State of the Union, nor elsewhere in the whole world shall we be able to secure what we need."—Governor William C. Sproul.

MODIFIED

The windjammer of the company was talking—as usual.
"I dreamed last night," he stated, "that I talked back to the skipper and died and went down below and got the third griddle from the right as you go in."

"And was it hot?"
"Hot? I'll say it was hotter than—hotter than—well, anyway, it was as hot as hell."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

THE GARDEN CLUB OF THE NARBERTH CIVIC ASSOCIATION.

Organized March 31st, 1921.

Object:

1. To acquire and disseminate among its members information relating to flowers, shrubs, trees, vegetables, and gardening in general.
2. To study and encourage town planning and the planting of gardens, parks and thoroughfares.
3. To protect and to prevent the destruction of desirable trees in public places.
4. To provide homes for and encourage the protection of desirable birds and to study bird needs and habits.
5. To co-operate with Federal, State and local authorities in the planting and maintenance of trees, flowers and shrubs in public places.
6. To encourage, assist and protect the planting of home gardens.
7. To promote and encourage flowers and vegetable shows and exhibitions.
8. To acquire and publish for the benefit of the community information such as will help make our town a healthier and more beautiful place in which to live.

Officers and Directors.

President—Robert J. Edgar.
Vice-President—Dr. D. Walter Steekbeck.
Secretary—George D. Grover.
Treasurer—Joseph F. Simpson.
Directors—Fletcher W. Stiles, A. E. Wohlert, A. B. Ross, Mrs. A. B. Ross, Mrs. E. C. Batchelor, Frank A. Clark, Henry Rose.

MARCH COUNCIL MEETING.

Have you ever attended a meeting of Narberth's Borough Council? No! Didn't know they were open to the public. Well, they are, and while the gallery only holds half a dozen you may drop in any second Monday in the month and learn how our local government functions.

At the last meeting the dog question was brought up, as the police officials have fixed a quarantine for 100 days on Lower Merion Township, which surrounds Narberth. Several cases of rabies have appeared in the township, and all dogs are muzzled and kept on leash to prevent the disease from spreading. The matter was fully discussed and finally left in the hands of our Police Committee.

Petitions were received at the February meeting from residents for street lights on the north side of Shirley Road and at Chestnut avenue, east of Narberth avenue, and the Fire, Light and Water Committee recommended that they be installed at once. The committee also recommended that the placing of a fire hydrant on Narbrook Road, east of Price avenue, in answer to a petition from residents of that section.

Mr. John B. Alker was replaced by Mr. R. J. Edgar as a member of our local Shade Tree Commission. Our honorable Burgess had several things to say about the inactivity of Shade Tree Commissions previously appointed.

The State of Pennsylvania through the Governor provides that the Burgess in a borough appoint a Shade Tree Commission of three members who are to draft rules and regulations for the planting, pruning and removal of shade trees, these rules to be approved by the local Council and enforced for the beautification of the community and the pleasure and comfort of all.

Our Burgess seems to feel that some action must be taken at once so that Narberth trees can be properly protected, as we are probably the only community in the State that has not taken advantage of the privilege.

The April Council meeting will very likely report that we are getting busy on our shade trees.

CIVIC ASSOCIATION REPORTER.

ALL-STARS TO MEET TENNIS QUINTETTE.

(Continued from Page 1)

ried men's teams which have played exciting matches at the High School. Horace Smedley, of the Single Men's quintette, will captain the tennis players, and others who will be in the line-up will be ex-Captain Roy Williams, Pretz, one of the stars of the Single Men's team; Bill Boyer and Little. Others will be "on the side lines" ready to rush into the battle at a moment's notice, but these five will start the game.

As for the All-Stars, their fate is in the hands of Gene Davis, who will act as captain, and among his players he has enlisted Bill Durbin, Dr. "Lardie" Davis and Louis Martin, both former stars and captains of University of Pennsylvania basketball teams; Ernie Jenkins and Jack Ward, both stars of the Narberth High School basketball team, and Artie Cook, a former Narberth High School star.

Captain Gene Davis hasn't decided how his team will be made up to start the game, but so far as we can see, and from what we know of the ability of the All-Star players, it doesn't make much difference which five of them are picked. They're all stars, and may be depended upon to put up a great game.

If you like basketball, remember, the first of this big series between the All-Stars and the Tennis Association will be played next Wednesday evening, April 6, in the Gym of the Y. M. C. A. It will be a game well worth seeing.

TENNIS MEMBERS NEEDED TO WORK ON NEW COURTS.

Every member of the Narberth Tennis Association who can, is urged by

the Board of Trustees to report at the new courts, Haverford and Montgomery avenues, this Saturday afternoon, prepared to work.

There is much to be done to get the courts ready for playing by May 7, but it can all be finished if the members will help. There is something that every man can do, even if he can spare only an hour or an hour and a half.

Last Saturday a fairly good number of members were on the job, but it is hoped that this Saturday even more will volunteer.

Narberth Choral Society

(Continued from Page 1.)

and efficient leader as Prof. Nice. He was surprised at the quality of tone produced and offered his assistance in furthering the good work. Mr. Thouron is one of the founders of the Orpheus Club, and is widely known in musical circles in and around Philadelphia.

With each rehearsal of the Chorus marked progress is shown, and Narberth will be given a finished production at the time of the first concert, Friday evening, April 15th, in the High School auditorium.

The Choral Society is considering singing the "Rose Maiden" in several Main Line towns, the proceeds of which will be used for educational or charitable purposes.

The members of the Choral reported many applications for associate membership in the society, and this membership will be left open so as to give all interested music-lovers of Narberth and vicinity an opportunity to become affiliated with the Choral Society in this way. Information relative to same may be secured from Mr. F. R. Mitchell, Mr. J. D. Murphy, or from any member of the Choral.

Mr. R. A. Cuthbert and Mr. Harold Reeves very efficiently handled the ordering and erection of a movable platform for the Choral Society, which can be set up at any location in about an hour's time, which platform was used by the Chorus at its rehearsal last Monday evening.

The Chorus was accompanied by a splendid orchestra composed of all Narberth talent, which will be a part of the Narberth Choral Society hereafter. The personnel of the orchestra include Messrs. Joseph Nash, A. J. Loos, Thos. Kuntzen, Chas. Marshall, Wm. Bart, Wm. Nash, W. F. Abel, and Nelson S. Moore. There will be probably a total of 12 instruments in the orchestra to supplement the Chorus at its first concert April 15th.

The Choral is attempting efficiently to give Narberth a high class of music and to do its share in boosting our town musically. Tickets will be on sale Monday evening next. Secure them from any Choral member as soon as possible, as the seating capacity of the High School auditorium is limited.

Geo. A. Mahl Elected President of Civic Ass'n

ANNUAL MEETING HELD THURSDAY EVENING IN Y. M. C. A. CONSTITUTION REVISED. GARDEN CLUB ORGANIZED.

The constitution of the Narberth Civic Association was amended in so many sections and new articles and sections added that it is practically a new document.

The amendments and additions proposed were all voted through at the regular annual meeting, one of the important changes being a decrease in the directorate from 18 to 12 members, so that no new directors were elected at the 1921 meeting. In next week's issue of Our Town the new constitution will be printed.

Mr. Mahl, the newly elected President of the organization, was unable to be present at the meeting, but will be heard from at the regular monthly meeting in April.

The Garden Club, which has been talked of for some time, was organized and will take up the flower shows which have been featured by the Civic Association for several years past. Accounts of the activities of the new Garden Club will appear regularly in our columns.

Only three new officers and directors were elected—Mr. Mahl, for President; Mr. Edgar, for Secretary; Mr. Living-

(Continued on Page 4)

SONG SERVICE AT METHODIST CHURCH.

The Methodist Choir will repeat the Easter music at the morning and evening services next Sunday. There will also be music appropriate to the missionary topic in the morning.

It is an inspiration to the congregation to listen to a choir of singers who rejoice in their opportunity to serve their Master in this way without remuneration.

When on Palm Sunday they sang so expressively Stainer's "Crucifixion," many people in the congregation wept with their suffering Saviour, and on Easter Sunday rejoiced with their Risen Lord, echoing in their hearts, "Hallelujah, Christ is Risen."

It is a forerunner of what all Christians will do when they stand before God's throne singing "Alleluia, worthy is the Lamb that was slain."

Come out and get ready for that day by singing heartily in the congregational song service led by Mr. Stanley in the evening.

All-Stars to Meet Tennis Quintette

FIRST OF SERIES OF BIG BASKETBALL MATCHES NEXT WEDNESDAY NIGHT AT Y. M. C. A.—FORMER U. OF P. CAPTAINS WITH ALL-STARS.

Well, those basketball players in the Narberth Tennis Association have gone ahead and done it, and next Wednesday evening, April 6, there is to be a big game in the Y. M. C. A. Gym between the pick of the Tennis players and the Narberth All-Stars, and you can take our word for it, it is going to be some contest!

What's more, next Wednesday night's game is to be the first of a series—the best out of three, the dates of the second and the third—if a third game is necessary—to be announced later.

In the meanwhile, prepare to see the first game in the series next Wednesday at the Y. M. C. A. Tickets will be sold at the door and there will be one price—twenty-five cents general admission.

If you doubt that the game next Wednesday evening will be worth seeing, here are some facts that will drive all doubts from your mind.

In the first place, the Tennis Association is to be represented by a team that is the pick of the single and mar-

(Continued on Page 4)

Alumni Association Meets Monday

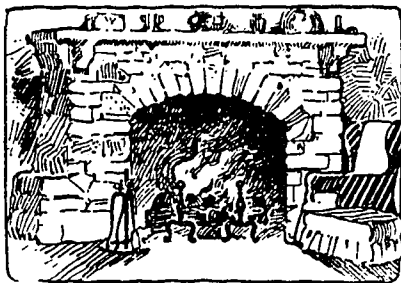

NARBERTH HIGH SCHOOL GRADUATE BODY TO BRING ORGANIZATION UP TO DATE—NEW BY-LAWS PREPARED.

A record attendance is expected at the special business meeting to be held by the Alumni Association next Monday evening. The meeting will be called to order promptly at 7:45. The new By-Laws, on which the Executive Committee has been working for several months, will be presented to the members for their vote.

Changes of considerable importance have been made in the organization, and an effort has been made to give the Association a basis on which to build up a stronger influence in school and town affairs.

The Alumni Association, which was organized in May, 1915, now has ninety graduate members, and is rapidly growing with each graduating class. In addition to the graduate members, both the old and the new by-laws make provision for Associate membership, made up of those who have completed at least one of the four upper grades of the High School. It is planned to send invitations to those eligible to this class of membership very shortly, and thus add to our present membership a further number interested in school affairs.

Every member is urged to make special efforts to attend this most important meeting.

THE FIRESIDE

Miss Dorothy E. Wilson spent the Easter holidays at Wildwood, New Jersey.

Miss Ethel Plank was among the visitors to Atlantic City from Narberth over Easter.

Mr. Charles F. Stretch, of Old Golf Road, is now the local representative of Harris, LeRoy & Clark, of Ardmore, agents for the Studebaker car.

Mr. and Mrs. Norman Southworth, of Hampden avenue, have been entertaining this past week Dr. and Mrs. D. R. Ryder, of Fall River, Mass. Dr. Ryder has been attending clinics at the Jefferson and Pennsylvania Hospitals.

The Woman's Foreign Missionary Society will be entertained at the home of Mrs. John Miller, No. 118 Essex avenue, on Monday afternoon at 2:30 o'clock, April 4th. All members and friends invited, as an interesting program has been arranged.

It's a grand sight to see the boys stepping along towards the school on the hill—smoking cigarettes; very gratifying, especially in view of the fact that there is a State law prohibiting anyone under 21 years of age having cigarettes in their possession.

Many Narberthites returned home from college for the Easter holidays. Among these were Eileen Needham, Ross Howenstein, George Rose, Gilder Jacoby and Ralph Beatty, from Pennsylvania State College; Gertrude Ross, from Mt. Holyoke, and Thomas G. Martin, from Colgate. Mary F. Chalfant returned Thursday of this week for her spring vacation.

FOR SALE—Seven-piece hair cloth parlor suite. One medallion sofa. 214 Hampden Ave. (25-p)

Community Club Notes

MUSIC APRIL 5, 2:30 P. M.

The meeting on Tuesday of the Community Club will be largely devoted to the subject of music. Mrs. M. J. Babb, of Ardmore, will talk at 2:30 o'clock on "Why Music is the 'Soul of Bohemia.'" Mrs. Babb will be remembered as Miss Gibbons, who appeared before the club as a violinist. Miss Jane Campbell, a favorite of the club, will be present to tell of "The Songs of My Youth."

Another subject which will doubtless be of great interest to the members is a book review of Drinkwater's "Abraham Lincoln." Those who hope to see the play during the days following the meeting should hear what Mrs. Robert Wood has to say regarding this presentation of the life of Lincoln.

Appropriate to the day will be entertainment furnished by the club orchestra and also the club chorus.

Members please notice that Mrs. Babb is to speak at 2:30, so those who arrive after that hour may miss something good. The business meeting will be conducted at the latter part of the meeting, instead of at the opening, which has been the usual custom.

THE LITERATURE CLASS.

If you have read "Potterism," by Rose Macaulay, or even if you haven't, come to the Literature Class of the Women's Community Club next Monday morning and help decide what a Potterite is.

Three of the essays in Mrs. Sturges' "Personal Prejudices" were read last Monday morning—"Old Friends," "Andre Tournes," Andre Moers," and "The Lost Art of Letter Writing." A poem of Richard Hovey called "Discovery," from the Vagabondia series, was also read.

All who have enjoyed this opportunity of reading together are asked to be present at the meeting next Monday.

JUNIOR SECTION WOMEN'S COMMUNITY CLUB.

The last meeting of the Junior Section was held at the home of Miss Katherine McDowell, on Thursday evening, March 24th. In spite of the very bad weather conditions, there were present about thirty-five girls, and several new names were added to the list of charter members on the last night this privilege was available.

The program for the evening was planned by Mrs. William Durbin. The Club was honored in having as its guest Mr. Robert H. Durbin, who gave two delightful recitations. Miss Augusta Witherow charmed with a song, and Miss Madeline McCoy with a piano selection. The Club then joined in Glee Club practice, and is very much enthused over its success with its first numbers, which are progressing into fine shape preparatory to their first "public appearance."

The halls were then cleared for dancing, and after delicious "Down East" refreshments of doughnuts and coffee, everyone enjoyed some perfectly fine dances to the tune of two orchestras—alternately the "vic," and the heating of the rain.

JUNIOR SECTION TO ENTERTAIN WOMEN'S COMMUNITY CLUB.

The next meeting of the Juniors will be in the form of a reception to the Senior Club. It will be held in Elm Hall next Thursday evening, April 7th. The Juniors cordially invite every member of the Senior Club to be present and become acquainted with the members of their offspring. An attractive program has been planned, and the Juniors are looking forward to a large attendance from both branches of the Club, for it is by just such friendly intercourse that the proper spirit of co-operation and good fellowship between the younger and older can be instigated.

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

Narberth Choral Society

MR. NICHOLAS THOURON PREDICTS GREAT POSSIBILITIES FOR THE NARBERTH CHORAL SOCIETY.

The members of the Narberth Choral Society were honored last Monday evening in having Mr. Nicholas Thouron come over from Merion for the purpose of ascertaining the progress of the Choral, and to offer encouragement to their undertakings. Mr. Thouron outlined the essential features in the building up of a choral society and expressed great surprise at the results so quickly obtained. Mr. Thouron followed the Chorus through the rehearsal, and in his address stated that he believed the prospects of the Narberth Choral Society to be exceptionally bright under such an enthusiastic

Editorial

PLEASE KNOCK!

We see that the "Brass Knocker" is with us again. Keep it up, Old Timer. May you show the path to us erring mortals!

And apropos, the "Brass Knocker" column is not written by the Editor. This in response to several queries.

FREAKISH WEATHER.

With the season just three weeks advanced over any normal spring, late March brought into bud and bloom many flowers, shrubs, trees and fruits. Then a sudden temperature drop of 57 degrees in an hour killed all the buds and bloom. Monday night's frost left the magnolia blooms limp and yellow, and we must wait another year to enjoy them again.

Reports have not been received as to the result of the frost on budding fruit trees, but it is quite likely that the majority in this section have been bitten.

Nature has provided a frost-proof root system for the early-blooming plants so that only the buds are killed. Let us hope our gardeners have not been enticed by the premature spring weather to plant out less hardy things.

May we have seen the last of winter for another seven months.

CHARTER NOTICE.

Notice is hereby given that an application will be made to the Governor of the State of Pennsylvania on Monday, May 2nd, A. D. 1921, by Mary C. Mulholland, Cornelia D. Ross, and Grace C. Batchelor and their associates, under the Act of Assembly of the Commonwealth of Pennsylvania, entitled, "An Act to Provide for the Incorporation and Regulation of Certain Corporations," approved April 29, 1874, and the supplements thereto, for the charter of an intended Corporation, to be called THE WOMEN'S COMMUNITY CORPORATION OF NARBERTH, PENNSYLVANIA, the character and objects of which are to purchase suitable ground and construct and maintain thereon buildings for the meet-

ings of the Women's Community Club of Narberth, Pennsylvania, and also to be used for intellectual, educational, and moral development along the lines of civics, music, art and general social uplift by means of lectures, classes and entertainments, and for these purposes to have and possess and enjoy all the rights, benefits and privileges of the said Act of Assembly and its supplements.

MUSCOE M. GIBSON,
Solicitor.

TREE PLANTING BEGINS.

Harrisburg, Pa., March 27.—On account of the open winter and early spring the nurseries operated by the Pennsylvania Department of Forestry are already in full swing. More than 500,000 trees have been lifted out of the nursery beds of the Greenwood Nursery in Huntingdon County, and about 750,000 at the Mont Alto Nursery in Franklin County. At the Clearfield Nursery all the stock available for distribution this spring, amounting to approximately 600,000 trees, has been removed from the beds. Up to this time nearly half a million trees have been shipped to private planters from these three nurseries. The Forester in charge of the Asaph Nursery, in Tioga County, reports that he will be able to commence operations within a very short time if the present mild weather continues.

Orders for more than two and three-quarter million seedlings have been received from six hundred and eighty-four applicants. These trees will be shipped to every part of the State, as there are only two counties, Greene and Juniata, from which no orders have yet been received.

John W. Keller, Chief, Bureau of Silviculture in the Department, says that forest tree planting by private owners of forest land is now an established practice, and the trees ordered this spring will reforest 2,000 acres of land, and if protected carefully and handled properly until mature will cut 50,000,000 board feet of lumber.

The Forest Academy students on Monday, March 14, began the planting of 120,000 forest trees near Mont Alto, in Franklin County. This is the earliest date upon which spring planting operations have begun for many years, and, judging from the progress that is being made, all the trees will be planted during the next week. These trees are being planted upon areas formerly occupied by chestnut, which had been killed by the chestnut blight.

WOMEN FOR JURY DUTY.

Names of Fifty-three Drawn for April.

The April sessions of Criminal and Civil Courts in this county will have 53 women listed for jury duty, as compared to 51 for the February sessions.

The panel for the April sessions was drawn from the wheel Friday, by Sheriff Jacob Hamilton, together with Jury Commissioners Walter Jenkins and Francis Fryer, the names being recorded, as drawn, by their clerk, Mrs. Katherine Pochall.

The April Grand Jury panel includes the names of five women, while the Criminal Court trial jury panel for the week of April 11 includes the names of 12. For the first week of the Civil sessions, beginning Monday, April 25, the jury panel includes the names of 15 women, and for the following week of Civil Court the panel includes the names of 21.

Those from Lower Merion are as follows:

Grand Jury, April 11—Mrs. Blanche White, Cynwyd; John Albrecht, E. P. Althouse, Frank Michener.

Petit Jury, April 11—Miss Barr, Cynwyd; Mrs. Ruth C. Hill, Villa Nova; John R. Baltz, Aubrey Bunting, Robert J. Boyd, Carroll Dalstrom, Robert Geary, Joseph Graham, W. B. Kraft, Howard S. Rue, Ralph H. White, Earl Young and Robert J. Savill, Narberth.

Civil Court, April 25—Mrs. Mary S. Stephenson, Wynnewood; Annie Williamson, J. C. Barker, Thomas F. Golden, Joel C. Huber, David R. Shelmire.

May 2—Fannie M. Ewing, Bryn Mawr; Mrs. Laura B. Melcher, Cynwyd; Mrs. Katherine W. Wilson, Bryn Mawr; Charles Cuff, William Duncan, Charles Hayes, Jr., John W. Joyce, Orion E. Kline, Ralph Wanamaker.

The Brass Knocker

RECOLLECTIONS, OBSERVATIONS AND COMMENTS BY AN OLD TIMER.

One of the doctors of the town has solved the ice problem for the coming summer in an old-fashioned way. He is building a spring-house, although we never knew that there was a spring anywhere near where he is building. Whatever it is, the "Doc" will not be at any great expense for stone. Out of each cubic yard excavated we judge there is from 50 to 75 per cent. of rock.

At the entrance to the tunnel on the South Side there are 10 lengths of cast iron pipe lying in the freight yard. Two of them have large cracks in them and are quite unfit for use. We have seen these pipes for a month or more and wish the owner would remove them, as we are tired of looking at them, and besides they give an untidy appearance to the place.

A year or so ago the "Cub" in his letter to the editor of Our Town stated that it was rumored that one of the trains was on time the other day. Now our impression is that at present the electric train service is pretty good. We compare them to the girl who "when she was good, was very, very good, but when she was bad, she was horrid."

Notice was given last week that application had been made to the Borough Council for license to operate a motor bus line through the borough connecting with Fifty-fourth street and City Line. We are for this with both feet. It will mean that some method of transportation can be had after the 11.55 has gone. Our social activities have been much curtailed in the past by the necessity of making the last train.

In the old days when the baseball diamond was at the corner of Price and Narberth avenues "Charley" Humphries caught and "Bill" Humphries played third for the local nine. A favorite of that time was, "Why is the Narberth baseball team like a camel? Because there are two 'Humphs' on it."

By the way, where is the local diamond?

The last issue had a picture of the former editor on the front page. Underneath were the words, "Oar Retiring Editor." Reading this one naturally expects the gentleman to be attired in pink pajamas and wearing a night cap.

Someone engaged in construction work in Narberth believes that water will run up hill. At the northeast corner of Essex and Haverford avenues there is a sewer inlet. On the Essex avenue side the gutter is about three inches higher than the general level of the gutter further on up Essex avenue. Now who can ever expect drainwater to climb up this for the privilege of falling into a sewer?

OLD TIMER.

A RESPONSE TO THE BRASS KNOCKER.

To the Editor of Our Town:

No one has properly attained fame until criticised. So, even though a "knock" is rather as poor an excuse for a criticism as a "pun" for a good joke, the Juniors are nevertheless highly flattered to have so shortly risen to that height of the truly famous that their reports are given such detailed analysis by one of Narberth's good citizens.

We thank you, fellow townsman, for your kind regard of us, and the additional interest in our weekly report which you have indubitably stimulated by a little tactful censure.

A JUNIOR.

"KILL FLIES AND SAVE LIVES."

The boys in the Manual Training Class of the Ardmore Public Schools are busily engaged making fly traps, under the direction of the instructor, Mr. A. Cleveland Conner.

These traps are to be used in the homes of the boys to catch the unspeaking fly as he innocently feeds upon the moist banana peel placed at the base of the trap. The trap is made so that an opening is left in

1001 CHESTNUT STREET, PHILADELPHIA

Branch Office at Station, Narberth, Pa. Telephone, Narberth 1710

Certain coals no higher in cost at the mouth of the mines than others cost us 28c. per ton more in the way of freight rates to Narberth, Pa., just because the cars in transit cross and recross the Delaware.

From now on we will buy coal that we can sell at retail market prices, which we believe to be good in quality, but have never been in Jersey.

We are distributors of coal and coke.

We assume that you are your own efficiency expert.

We are located at the right place to serve you.

We need and want your business.

We can give you as much for your dollar as you can get anywhere, and it is our ambition to give you a little more, for we do not forget that owing to circumstances beyond our control (war time conditions) many of our Narberth citizens paid us prices in excess of those prevailing elsewhere, much to our mortification and disgust.

Profits have gone just exactly as have salaries and incomes of many of our customers.

Prices for the month of March follow, which are subject to change with the changing conditions:

	Wheeled or carried
Cannel Coal	\$15.00
Buckwheat Coal	8.75
Coke	8.75
	Wheeled or carried to the cellar, 50c. extra per ton
Pea Coal	\$11.00
Egg Coal	13.50
Stove Coal	14.00
Nut Coal	14.00

the wire above the bait. After the fly satisfies his hunger on the banana peel he looks around for an opening of escape and the hole above him admits the daylight. This entices the fly to fly upward into the trap.

The boys are working hard and with a lot of interest, because they have accepted the challenge to "KILL FLIES AND SAVE LIVES."

The Boy Scouts of the "Main Line" are organizing an attack upon the flies. The troop of the Conestoga Community Center have located all the stables in

their territory, and have made their report to the local committee. The stables of the entire Main Line will be charted, and the Boards of Health of the different townships and boroughs will see to it that the stables do not become breeding places for the fly.

The campaign formally opens April 4th, but it does not mean that it will all be over in a short time. The fight must continue throughout the summer. However, the emphasis must be placed right away in order to rid the territory of all breeding places.

"He who sows the ground with care and diligence acquires a greater stock of religious merit than he could gain by the repetition of ten thousand prayers."—Zoroaster.

THE GARDEN CLUB OF THE NARBERTH CIVIC ASSOCIATION.

Organized March 31st, 1921.

Object:

1. To acquire and disseminate among its members information relating to flowers, shrubs, trees, vegetables, and gardening in general.
2. To study and encourage town planning and the planting of gardens, parks and thoroughfares.
3. To protect and to prevent the destruction of desirable trees in public places.
4. To provide homes for and encourage the protection of desirable birds and to study bird needs and habits.
5. To co-operate with Federal, State and local authorities in the planting and maintenance of trees, flowers and shrubs in public places.
6. To encourage, assist and protect the planting of home gardens.
7. To promote and encourage flowers and vegetable shows and exhibitions.
8. To acquire and publish for the benefit of the community information such as will help make our town a healthier and more beautiful place in which to live.

MARCH COUNCIL MEETING.

Have you ever attended a meeting of Narberth's Borough Council? No! Didn't know they were open to the public. Well, they are, and while the gallery only holds half a dozen you may drop in any second Monday in the month and learn how our local government functions.

At the last meeting the dog question was brought up, as the police officials have fixed a quarantine for 100 days on Lower Merion Township, which surrounds Narberth. Several cases of rabies have appeared in the township, and all dogs are muzzled and kept on leash to prevent the disease from spreading. The matter was fully discussed and finally left in the hands of our Police Committee.

Petitions were received at the February meeting from residents for street lights on the north side of Shirley Road and at Chestnut avenue, east of Narberth avenue, and the Fire, Light and Water Committee recommended that they be installed at once. The committee also recommended that the placing of a fire hydrant on Narbrook Road, east of Price avenue, in answer to a petition from residents of that section.

Mr. John B. Alker was replaced by Mr. R. J. Edgar as a member of our local Shade Tree Commission. Our honorable Burgess had several things to say about the inactivity of Shade Tree Commissions previously appointed.

The State of Pennsylvania through the Governor provides that the Burgess in a borough appoint a Shade Tree Commission of three members who are to draft rules and regulations for the planting, pruning and removal of shade trees, these rules to be approved by the local Council and enforced for the beautification of the community and the pleasure and comfort of all.

Our Burgess seems to feel that some action must be taken at once so that Narberth trees can be properly protected, as we are probably the only community in the State that has not taken advantage of the privilege.

The April Council meeting will very likely report that we are getting busy on our shade trees.

CIVIC ASSOCIATION REPORTER.

ALL-STARS TO MEET TENNIS QUINTETTE.

(Continued from Page 1)

ried men's teams which have played exciting matches at the High School. Horace Smedley, of the Single Men's quintette, will captain the tennis players, and others who will be in the lineup will be ex-Captain Roy Williams, Fretz, one of the stars of the Single Men's team; Bill Boyer and Little. Others will be "on the side lines" ready to rush into the battle at a moment's notice, but these five will start the game.

As for the All-Stars, their fate is in the hands of Gene Davis, who will act as captain, and among his players he has enlisted Bill Durbin, Dr. "Lardie" Davis and Louis Martin, both former stars and captains of University of Pennsylvania basketball teams; Ernie Jenkins and Jack Ward, both stars of the Narberth High School basketball team, and Artie Cook, a former Narberth High School star.

Captain Gene Davis hasn't decided how his team will be made up to start the game, but so far as we can see, and from what we know of the ability of the All-Star players, it doesn't make much difference which five of them are picked. They're all stars, and may be depended upon to put up a great game.

If you like basketball, remember, the first of this big series between the All-Stars and the Tennis Association will be played next Wednesday evening, April 6, in the Gym of the Y. M. C. A. It will be a game well worth seeing.

TENNIS MEMBERS NEEDED TO WORK ON NEW COURTS.

Every member of the Narberth Tennis Association who can, is urged by

the Board of Trustees to report at the new courts, Haverford and Montgomery avenues, this Saturday afternoon, prepared to work.

There is much to be done to get the courts ready for playing by May 7, but it can all be finished if the members will help. There is something that every man can do, even if he can spare only an hour or an hour and a half.

Last Saturday a fairly good number of members were on the job, but it is hoped that this Saturday even more will volunteer.

Narberth Choral Society

(Continued from Page 1.)

and efficient leader as Prof. Nice. He was surprised at the quality of tone produced and offered his assistance in furthering the good work. Mr. Thouron is one of the founders of the Orpheus Club, and is widely known in musical circles in and around Philadelphia.

With each rehearsal of the Chorus marked progress is shown, and Narberth will be given a finished production at the time of the first concert, Friday evening, April 15th, in the High School auditorium.

The Choral Society is considering singing the "Rose Maiden" in several Main Line towns, the proceeds of which will be used for educational or charitable purposes.

The members of the Choral reported many applications for associate membership in the society, and this membership will be left open so as to give all interested music-lovers of Narberth and vicinity an opportunity to become affiliated with the Choral Society in this way. Information relative to same may be secured from Mr. E. R. Mitchell, Mr. J. D. Murphy, or from any member of the Choral.

Mr. R. A. Cuthbert and Mr. Harold Reeves very efficiently handled the ordering and erection of a movable platform for the Choral Society, which can be set up at any location in about an hour's time, which platform was used by the Chorus at its rehearsal last Monday evening.

The Chorus was accompanied by a splendid orchestra composed of all Narberth talent, which will be a part of the Narberth Choral Society hereafter. The personnel of the orchestra include Messrs. Joseph Nash, A. J. Loos, Thos. Knutzen, Chas. Marshall, Wm. Burt, Wm. Nash, W. F. Abel, and Nelson S. Moore. There will be probably a total of 12 instruments in the orchestra to supplement the Chorus at its first concert April 15th.

The Choral is attempting efficiently to give Narberth a high class of music and to do its share in boosting our town musically. Tickets will be on sale Monday evening next. Secure them from any Choral member as soon as possible, as the seating capacity of the High School auditorium is limited.

News of the Churches

THE OLD MERION FRIENDS' MEETING HOUSE,

Montgomery Pike, Narberth, was established 1682. Here William Penn worshipped, as well as many other noted Friends. One of the historical spots of America is open for worship every First-day (Sunday) morning at 11 o'clock. First-day School begins at 10 A. M. Visitors cordially invited.

The First-day School is held every First-day morning at ten o'clock. There is a class for adults as well as for children, and we are very glad to have anyone who is interested in knowing more about our Society of Friends and the Friendly ideas visit with us.

ST. MARGARET'S R. C. CHURCH.
Rev. R. F. Cowley, Rector.

Early Mass on Sundays at 7 A. M. Late Mass, 10 A. M.

Masses on holy days, 6.30 and 8.30 A. M. Weekdays at 8. Evening devotions and other services at regular times.

ALL SAINTS CHURCH, WYNNE-
WOOD, PA.

Rev. Gibson Bell, Rector.
Rev. Malbone H. Birchhead, Associate.

Wednesday, April 6th—Preparatory members' class at 7 P. M. Prayer meeting at 8 P. M.

NARBERTH MYSTERY SOLVED.

For several months past many Narberth folks have pondered over the problem.

As a result several interested persons made an investigation to ascertain where everybody and their wives and best girls disappeared to regularly every Friday evening.

One investigator happened to discover Mr. George P. Pawling scouting around the site of the proposed Narberth Recreation Field and he explained that he was considering erecting an ice palace for the Narberth Skating Club. "The what?" we asked. "The Narberth Skating Club," sez George. "Didn't you know you had a bunch of ice skaters in Narberth? Why they ket every Friday evening." "No," sez we. "But that begins to explain something. It answers the question, Where are they at?"

So down we go last Friday evening, and there they be. Some in the center of the rink doing fancy stunts, some gliding around gracefully like birds, and some being stopped by the guards every few minutes for exceeding the speed limit. You might have thought you were right on Haverford avenue, just like Narberth—only different.

Among the "stunters," "gliders" and "speeders" were:

"Doc" Hartley
"Win" Cook
Charlie McCarter
Young Perry Redifer
Jake Jacoby
Bill Durbin
"Deetie" Harris
Ed. Ensinger
Mrs. W. G. Crowell
Mrs. Raymond C. Jones
Raymond C. Himself
Horace Smedley
Mrs. Lester Jefferies
Miss Mildred Harris
Miss Edna Potter
"Baron" Harris
"Doc" Howard
Dave Odell
Bob Edgar
Bill Pretz
Bob Pretz
Frank Pretz.

VISIT FROM FORMER CITIZEN.

Mr. William Baird Reed, of New York, recently paid a visit to Narberth to see one of our citizens, Mr. David B. Weaver, and incidentally to renew some old friendships. Mr. Reed formerly lived in our town.

He was interested in oil development properties in Montana and knew that David B. Weaver had been one of

a party who, while traveling in an ox team to gold fields in Montana in 1864, discovered oil on the trip (the first discovery of oil in that State). He desired information concerning particular locations in the Big Horn River Country.

The "find" of oil made by Mr. Weaver's party way back in '64 was not only entirely unexpected to them, but was a God-send, as they had run out of grease for the wheels of their wagons and carts. They were creaking along in a dry condition when the party, after crossing several dry water courses in search of water, came to a stagnant pool of water covered with oil. From this they filled their grease cans and used it to lubricate the wheels.

This was beyond question the first discovery of oil in Montana, and as it is in this region that Mr. Reed is interested, he was able to secure some valuable information from his pioneer friend.

AMERICANIZATION DEMONSTRATION, APRIL 7TH.

To Members of Main Line Branch, American Red Cross.

The patriotic and civic organizations of Philadelphia, in co-operation with the American Legion, plan a demonstration in the interest of Americanization on the evening of April 7th.

It is proposed to hold two mass meetings, one in the Academy of Music and the other in the Metropolitan Opera House. Speakers of national reputation will address these meetings.

The Red Cross has been asked to participate in the outdoor demonstration, which will probably occur at six o'clock on April 7th in Broad Street. The Committee in charge is anxious to know how many of the Red Cross people will take part in this demonstration in uniform, if possible.

Any members who will parade with the Red Cross, please send your name and address to Main Line Branch Headquarters, Memorial Building, Bryn Mawr, before April 5th.

Southeastern Pennsylvania Chapter, American Red Cross.

"Never forget that if we fail to provide for our own needs in forest products no one else will do it for us. The very solemn fact is that if we fail to do so, neither in the State of the Union, nor elsewhere in the whole world shall we be able to secure what we need."—Governor William C. Sprout.

MODIFIED

The windjammer of the company was talking—as usual.

"I dreamed last night," he stated, "that I talked back to the skipper and died and went down below and got the third griddle from the right as you go in."

"And was it hot?"
"Hot? I'll say it was hotter than—hotter than—well, anyway, it was as hot as hell."

The above department should be of the greatest use to the community, the list contains the name of every professional man tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.
